Daily Matins w/ Doxology

The order for a Daily Matins for a higher ranked feast that does not constitute a Vigil, is the same as Daily Matins, with the following exceptions:

- There are Little Litanies after the Kathisma readings.
- The Polyeleon may be sung
- The Praises are sung
- The Great Doxology is sung
- The Litanies after the Doxology are reversed, and the Aposticha and Trisagion are not done.

* At Daily Matins, the introductory verses to the Praises are read, not sung
